Jennifer

I am writing to respond to a PDC complaint against the Pierce County Democrats Central Committee (PCDCC) filed by an individual named Glen Morgan (PDC Case No. 46474). This complaint alleges:

"Violation of RCW 42.17A.235 for failure to report a contribution."

I am the newly elected PCDCC Treasurer. Subsequent to taking office in December 2018, PCDCC undertook a process to reconcile our 2018 books and filings. As a result of that process, we discovered that \$860 was deposited into our bank account in September 2018, that was not reported on our C4 for that period. The funds in question were from a "low-cost fundraiser" (donations for political buttons) conducted in conjunction with the Pierce County Democrats Booth at the Washington State Fair.

Upon finding that these funds had not been reported in a timely manner to the PDC, we sought assistance from the PDC on how best to handle the situation. We were advised by the PDC to amend the October C4 to reflect the deposited funds, along with subsequent C4 filings that would be effected by the disclosure of these funds. Our primary objective is to ensure the accuracy of our reporting.

Please let me know if you have any questions.

Thank you,

Rick Offner
