

Complaint Description

Bob Fiedler reported via the portal (Thu, 11 Apr 2019 at 7:08 PM)

Attached are photos I would like someone to contact the Fire Union and let them know they violated the law.

What impact does the alleged violation(s) have on the public?

Public Facilities may not be used to support or oppose a ballot measure. Using the mailing address of a fire station as the address of a ballot committee would not be an acceptable use of a public facility. If you believe that such a violation has occurred, you may file a formal complaint. To do so, go to our web page at <https://wapdc.freshdesk.com/support/tickets/new> Under "I would like to*" choose "File a formal complaint."

Thank you,
