Failure to file the required F1 Financial Disclosure Report after registering as a candidate in the 2019 City of Puyallup Council election (C1 report). Herrera registered on March 19, 2019. The deadline for F1 submittal was April 15, 2019.

Please amend my complaint filed against Paul Herrera yesterday. My complaint stated that Herrera failed to provide his F1 disclosure by April 15th. I received an email today from the PDC stating that his deadline was 14 days after his registration. That would make Herrera's deadline April 2nd.

The 15th deadline is for incumbents.

Herrera is not an incumbent.

What impact does the alleged violation(s) have on the public?

The public have a right to transparency of candidates prior to elections who may have debts, investments and other financial relationships that may influence their votes as elected officials.
