Hello Tabatha,

Thank you for what you guys do to ensure fair & transparent WA elections.

Just to start, yes the campaign paid for these flyers- I drew up the language on it.

I have to take responsibility for this one- it was my oversight. It was a rookie error, I've now read the PDC guidelines & will make sure we're in compliance the rest of the way.

We don't have a huge run of these flyers, so our remedy will be to print up stickers with compliant language & not use any more flyers until they're stickered.

If any additional steps are required, please let me know.

**Subject:** inquiry from WA State Public Disclosure Commission

Hi Ginny,

I am writing on behalf of the WA State Public Disclosure Commission, the state agency that enforces our state's campaign finance laws. We've received an inquiry regarding a double-sided flyer that says "Vote Ginny Scantlebury for Shoreline City Council" on one side and contains text and a photo of you on the reverse side (see attached images). The contact info on the flyer is the same as what appears on your website at <https://ginnyforshoreline.org/>

Please kindly indicate if the flyer was purchased by your election campaign committee or another person/entity. If someone outside your campaign generated the flyers, please provide their name and address.

We are grateful for any information you can provide. A response is appreciated by end-of-business day on **Tuesday, April 30, 2019**.

If you have any questions, please do not hesitate to contact me by email or phone at (360) 586-8929.

Sincerely,

Tabatha Blacksmith  
Compliance Coordinator

Hi Ginny,

Thank you for your email.

We are inquiring about a brochure, which is most likely the "slim jim" you refer to in your email. Right now, we are just gathering facts but we did receive a complaint that the brochure does not contain the required sponsor identification. Before we ask you to respond to the complaint, we want to make sure that the brochure was distributed by your campaign (as opposed to being an independent expenditure produced by someone else).

Bryce also emailed me so I will respond to his email and include you as a "cc." His email was routed through our system so it will give us a central place to discuss the brochure. You should receive that email momentarily...

Sincerely,

Tabatha Blacksmith  
Compliance Coordinator

We forgot to put who purchased the slim jims too. Are we in trouble now?  
Ginny
