You reference that the complaint regards activity from the 2012 campaign? If this activity is over five years old, why was this complaint not rejected by the PDC?

Regardless, Paul Berendt has never been a campaign committee member for 2012 or 2018 campaigns for Linda Oosterman. Campaign materials distributed by any PAC during the 2012 or 2018 campaigns was done without the knowledge of the candidate or campaign committee. These were independent expenditures made outside the campaign.

We are happy to answer any other questions.

Thank you

No, Linda Oosterman, candidate for PUD commissioner, nor any campaign committee members or agents provided any photos of Linda to Paul Berendt or the Up for Thurston County PAC.

As previously reported, the "Dear Friends" letter was sent to some supporters of her 2012 campaign to solicit 2018 campaign funds. Paul Berendt was not one of them.

The candidate or campaign committee or agent did not ask Paul Berendt to solicit endorsements or contributions for the 2012 or 2018 Oosterman campaigns at any meeting.

Linda Oosterman nor her campaign committee or any agent knows where, when or how Mr Berendt obtained any photos or correspondence regarding her 2018 campaign.

Maybe you should ask Mr Berendt?
