Re: PDC Case No. 53342 – Patrick M. Shanahan

Dear PDC Staff:

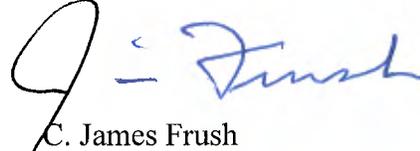

In supplement of the letter and exhibits submitted to you yesterday, we are enclosing two amended F-1s for Mr. Shanahan. The Amended F-1 for Calendar Year 2014 reflects the disclosure of both the residence and brokerage account. The Amended F-1 for Calendar Year 2015 reflects the disclosure of the brokerage account. The residence was already disclosed in the original F-1 for that year. As noted in our previous letter, the F-1 for calendar year 2016 is not being amended as it disclosed both the residence and the brokerage account.

We understand that this submission directly to you eliminates the need for us to separately file these amended F-1s.

Don't hesitate to contact us if you have questions or concerns, or feel additional amendments are necessary. Thank you very much for your consideration.

Very truly yours,

CORR CRONIN LLP

C. James Frush
