

Complaint Description

Bill Pate (Wed, 17 Jul 2019 at 12:52 PM)

On July 16, 2019 I attended a Forum sponsored by the League of Women Voters (Bellingham/Whatcom County) which alleged to introduce all the candidates for the office of Mayor of Ferndale, WA. There were 5 candidates in attendance, all of whom appear on the Ballot according to the Whatcom County Auditor:

I note that the PDC website only contains 4 names. The name of Daniel Sydney Hevenor does not appear, which indicates he has not registered with the PDC as a candidate, despite having registered to appear on the ballot.

What impact does the alleged violation(s) have on the public?

A candidate is running for a local office who has apparently not complied with state registration regulations for political disclosure and reporting.
