

**Complaint Description**

Dave Churchman reported via the portal Thurs, 20 June 2019 @ 9:56AM

The PDC database shows that Schlumpf filed her candidacy with the PDC on March 22, 2019. Schlumpf also filed for election with the Pierce County Auditor during filing week in early May 2019.

In the past 10 days in mid June,, requests for Schlumpf's F1 report from the PDC has not been fulfilled as Schlumpf has not filed the required report.

**What impact does the alleged violation(s) have on the public?**

Schlumpf is a candidate for Port of Tacoma Commissioner. A position that decides on many millions of dollars that may be impacted by special interests. By failing to file her financial disclosure report as required by law, the required transparency for voters to judge the honesty and credibility of this candidate is severely hindered. The primary election is on August 2nd, so time for voters to study the candidates is expiring.
