Hi Tabatha,

Thank you for the notification about the filing of the F-1. The campaign had thought all documentation had been filed appropriately with the Public Disclosure Commission (PDC) when it filed its C-1 form.

Unfortunately, the PDC notice to the campaign about the missing F-1 form was directed to an email address unused after a change to the official campaign email system was arranged shortly after officially filing for office. The F-1 form has now been filed.

If anything further is necessary, please advise. Again, thank you so much for your assistance with this matter. It is greatly appreciated.
