Tabatha,

I did not know that I needed to submit a formal written response to the complaint allegation. The reason I did not submit the form to PDC is because I was out of town when I did the application to the county and did not know that I needed to submit the C-1 and F-1 forms to PDC. As I mentioned before I am new at this and trying to give back to the community by assisting the city as a council member. I hope this e-mail as well as the many e-mails explaining why I do not provide the applications to PDC will suffice as a reason for not complying with the application requirements.

Thanks
