Subject: Case Status Review (Initial Hearing) After Opening a Formal Investigation,
Apollo Mechanical Contractors (3), PDC Case 54746

Dear Trey Bland:

After conducting a preliminary review and assessment of a complaint filed July 8, 2019 by Maxford Nelsen of the Freedom Foundation, concerning Apollo Mechanical Contractors (Apollo), PDC staff opened a formal investigation and held a case status review, referred to as an initial hearing, on September 13, 2019, pursuant to RCW 42.17A.755, and WACs 390-37-060 and 390-37-071.

At the hearing it was noted that the case status review is not an adjudicative proceeding, and that RCW 42.17A.755 provides PDC staff with additional tools to resolve complaints through the use of alternatives to full, formal adjudication, or referral to the Attorney General's Office, and I am encouraging you to work with staff on resolving this matter.

Thank you for sending five emails with attachments, after the initial hearing, showing additional employee withholding authorizations for Apollo employees.

If you have questions, please contact Phil Stutzman, Compliance Officer, by replying to the latest staff email concerning this matter or by calling Mr. Stutzman at 360-664-8853.

Sincerely,

Peter Lavalley
PDC Executive Director
