Good morning,

I am not sure what this means.

I am not accepting any campaign donations at all and anything I have purchased for my campaign has been paid out of pocket.

Business cards - \$109.00

Campaign brochures - \$500.00

Campaign promotion flags - \$300.00

Are these concerns that need to be declared. This is my first time running for an elected office so I am still learning all the steps.

Who is this gentleman Glen Morgan? I have never heard of him.

This is my first time to run for an elected office so my first time to ever file a PDC C-1

I went in the PDC system and did everything I thought I needed to do to file my C-1 on time.

Being my first time to ever file a C-1 I didn't realize I had left the C-1 in a DRAFT form.

I received an email from PDC saying that I filed the C-1 in error and I need to reopen the file and VIEW it and then VERIFY in order to make it official.

I did that on July 16 and that made it officially past the deadline.

I had no idea that the file had been left in limbo in the DRAFT.

I would appreciate some understanding and ask that you excuse my error

It was not intentionally filed late

I honestly thought I had filed on time and correctly
