

Complaint Description

Glen Morgan (Tue, 16 Jul 2019 at 11:38 PM)

To whom it may concern,

It has come to my attention that Jennifer Tyler during her 2018 campaign for the Chelan County Sheriff's office violated Washington State's campaign finance laws (**RCW 42.17A**).

1) Accepting Illegal Over limit Anonymous Contributions (Violation of RCW 42.17A.220 (4))

Tyler violated Washington State's campaign finance laws by accepting more than \$300 in anonymous contributions from donors. Specifically, it appears that she accepted \$721.25 in anonymous contributions, which is \$421.25 more than the allowable anonymous contribution limit defined in **RCW 42.17A.220 (4)**.

Upon reviewing the expenditures by this candidate's political committee, there is no evidence supporting any claim these funds were eschewed to the Treasury of the State of Washington as is required in law. Therefore this is a violation of the statute, and these funds should be immediately forfeited to the Washington State Treasury.

I've attached the relevant C3 contribution reports which detail all the anonymous contributions received by this committee during the 2018 calendar year. **This candidate must forfeit \$421.25 to the Washington State Treasury immediately.** In this way, these funds can be squandered along with the rest of the general fund tax dollars, but at least this forfeiture of anonymous dark money funds may discourage others from doing the same in the future.

This candidate and the campaign committee should be warned about not taking secretive, dark money anonymously to fund political campaigns. This is a serious violation of Washington's State campaign finance laws and counter to the spirit and intention of transparency in the political process.

Please feel free to contact me if you have any further questions on this matter.

Best Regards,

Glen Morgan

What impact does the alleged violation(s) have on the public?

The public has a right to have candidates for political office who do not fund their political campaigns by secretive, anonymous dark money funding as this campaign chose to do. This

campaign must forfeit these illegal dark money funds and send them to the Washington State Treasury where they can be squandered with the rest of the General Fund. At least it will send a message to future dark money anonymous donors that their money is not welcome, even in campaigns like this one.
