This fundraiser, Champagne Brunch, was held at my (Shawn Myers) private residence, by invitation on Sunday, August 19, 2018. I am not required to get a Banquet permit when held in my private home.

I purchased all food and beverages. No other supplies were donated by Mary Hall, Karen Fraser or anyone else. This in kind by me was reported on the original C4 #100858295 and amended C4 #100901756 for activity from 8/01-8/31. Contributions received during and after this event were reported on C3's thereafter.

Mary Hall and Karen Fraser's names on the invitation were listed as sponsors. This is common practice, to ask other community leaders or electeds who support the candidate to lend their names as sponsors. It's a way to show their friends, family and supporters that they support this candidate and get them to come out and support as well.

The photo and video of the group of supporters was taken at the Thurston County Democrats election night party on Nov 6, 2018. It had nothing to do with the Champagne Brunch fundraiser.

I believe we have addressed all concerns regarding this complaint.
