

## Complaint Description

Glen Morgan (Wed, 17 Jul 2019 at 10:05 AM)

To whom it may concern,

It has come to my attention that Citizens for Sequim Schools Bond 4 PAC during the 2016 campaign session has violated Washington State's campaign finance laws (**RCW 42.17A**).

### **1) Accepting Illegal Over limit Anonymous Contributions (Violation of RCW 42.17A.220 (4))**

This PAC violated Washington State's campaign finance laws by accepting more than \$300 in anonymous contributions from donors. Specifically, it appears that they accepted \$3,750 in anonymous contributions (apparently from one source), which is \$3,450 more than the allowable anonymous contribution limit defined in **RCW 42.17A.220 (4)**.

Upon reviewing the expenditures by this candidate's political committee, there is no evidence supporting any claim these funds were eschewed to the Treasury of the State of Washington as is required in law. Therefore this is a violation of the statute, and these funds should be immediately forfeited to the Washington State Treasury.

I have attached the relevant C3 report which provides the limited detail on the anonymous contributions received by this committee during the 2016 campaign. **This committee must forfeit \$3,450 to the Washington State Treasury immediately.** In this way, these funds can be squandered along with the rest of the general fund tax dollars, but at least this forfeiture of anonymous dark money funds may discourage others from attempting to hide their anonymous, secretive, dark money in this political campaign.

This committee should be warned about not taking secretive, dark money anonymously to fund political campaigns. This is a serious violation of Washington's State campaign finance laws and counter to the spirit and intention of transparency in the political process.

### **2) Failure to timely report contribution to campaign (Violation of RCW 42.17A.235, .220(1))**

In addition to accepting an illegal, dark money anonymous contribution far in excess of what the statute allows, this committee also chose to conceal both the contribution and the date of deposit from the public for many months. According to the attached C3 report, this contribution was received (deposited?) on October 30, 2015, but wasn't reported to the PDC until this report was filed on February 12, 2016. This contribution should have been disclosed on November 10, 2015, but instead this committee **chose to conceal it from the public for 90 days** – right before the

special election on this bond was to be held. It should be noted this secret anonymous dark money contribution was the largest contribution to this PAC from any one source.

Please feel free to contact me if you have any further questions on this matter.

Best Regards,

Glen Morgan

**What impact does the alleged violation(s) have on the public?**

The public has a right to have local PACs who do not fund their political campaigns by secretive, anonymous dark money funding as this campaign chose to do. This campaign must forfeit these illegal dark money funds and send them to the Washington State Treasury where they can be squandered with the rest of the General Fund. At least it will send a message to future dark money anonymous donors that their money is not welcome, even in campaigns like this one.
