

## Complaint Description

Glen Morgan reported via the portal Tues, 16 July, 2019 at 5:57PM

To whom it may concern,

It has come to my attention that the Clean Air Clean Energy PAC has violated Washington State's campaign finance laws (**RCW 42.17A**).

### **1) Accepting Illegal Over limit Anonymous Contributions (Violation of RCW 42.17A.220 (4))**

It appears that during their failed campaign to support I-1631 in 2018, the Clean Air Clean Energy PAC violated Washington State's campaign finance laws by accepting more than \$300 in anonymous contributions from donors. Specifically, it appears that they accepted \$961 in anonymous contributions, which is \$661 more than the allowable anonymous contribution limit defined in **RCW 42.17A.220 (4)**.

Upon reviewing the expenditures by this PAC, there is no evidence supporting any claim these funds were eschewed to the Treasury of the State of Washington as is required in law. Therefore this is a violation of the statute, and these funds should be immediately forfeited to the Washington State Treasury.

I've attached the relevant C3 contribution reports which detail all the anonymous contributions received by this committee during the 2018 calendar year. **This PAC must forfeit \$661 to the Washington State Treasury immediately.**

Please feel free to contact me if you have any further questions on this matter.

Best Regards,

Glen Morgan

**What impact does the alleged violation(s) have on the public?**

The public deserves to know who is funding campaigns like this. Anonymous donations over \$300 are illegal and must be returned to the Washington State Treasury where they can be squandered with the rest of the general fund, but at least they are not used to secretly and silently fund political activity.
