Subject: Complaint regarding Clean Air Clean Energy Washington, PDC Case 55035

Dear Mr. Morgan:

The Public Disclosure Commission (PDC) has completed its review of the complaint you filed on July 17, 2019. Your complaint alleged that Clean Air Clean Energy Washington, a Political Committee, supporting statewide ballot measure 1631 in the November 6, 2018 general election, may have violated RCW 42.17A.220(4) for accepting over limit anonymous contributions.

PDC staff reviewed your allegations; the applicable statutes, rules, and reporting requirements; the applicable PDC reports filed by Respondent; and queried the Respondent’s data in the PDC contribution database, to determine whether the record supports a finding of one or more violations.

Based on staff’s review, we found the following:

- On February 22, 2018, Clean Air Clean Energy Washington filed a C-1pc registering as a ballot committee in support of I-1631 appearing on the November 6, 2018 general election, choosing the “Full Reporting” option.
- RCW 42.17A.220(4) states in part that “accumulated unidentified contributions . . . , in excess of one percent of the total accumulated contributions received in the current calendar year, or three hundred dollars, whichever is more, may not be deposited, used, or expended, but shall be returned to the donor if his or her identity can be ascertained. If the donor cannot be ascertained, the contribution shall escheat to the state and shall be paid to the state treasurer for deposit in the state general fund.”
- On its website, PDC guidance outlines the amount of anonymous contributions a committee may accept in a calendar year.
- The complaint alleged that in calendar year 2018, Clean Air Clean Energy Washington accepted anonymous contributions in the amount of \$961, which was \$661 more than the allowable limit of \$300.
- Staff’s review of the Monetary Contribution reports (C-3 reports) and Summary Full Campaign Contribution and Expenditure reports (C-4 reports) filed by Clean Air Clean Energy Washington found the committee could accept the greater amount of up to 1 percent of the total accumulated contributions.

Based on these findings, staff has determined that, in this instance, no evidence supports a finding of a violation warranting further investigation.

Based on this information, the PDC finds that no further action is warranted and has dismissed this matter in accordance with RCW 42.17A.755(1).

If you have questions, you may contact Jennifer Hansen at 1-360-586-4560 toll-free at 1-877-601-2828, or by e-mail at pdcc@pdcc.wa.gov.
