

Complaint Description

Glen Morgan reported via the portal Tues, 16 July, 2019 at 10:54PM

To whom it may concern,

It has come to my attention that Pinky Vargas during her failed 2018 campaign for State Senate in the 42nd Legislative District violated Washington State's campaign finance laws (**RCW 42.17A**).

1) Accepting Illegal Over limit Anonymous Contributions (Violation of RCW 42.17A.220 (4))

Pinky Vargas violated Washington State's campaign finance laws by accepting more than \$300 in anonymous contributions from donors. Specifically, it appears that she accepted \$689 in anonymous contributions, which is \$389 more than the allowable anonymous contribution limit defined in **RCW 42.17A.220 (4)**. Please see attached C3 reports to document and prove these illegal anonymous dark money contributions.

Upon reviewing the expenditures by candidate's political committee, there is no evidence supporting any claim these funds were eschewed to the Treasury of the State of Washington as is required in law. Therefore this is a violation of the statute, and these funds should be immediately forfeited to the Washington State Treasury.

I've attached the relevant C3 contribution report which detail all the anonymous contributions received by this committee during the 2018 calendar year. **This PAC must forfeit \$389 to the Washington State Treasury immediately.**

This candidate and the campaign committee should be warned about not taking secretive, dark money anonymously to fund political campaigns. This is a serious violation of Washington's State campaign finance laws and counter to the spirit and intention of transparency in the political process.

Please feel free to contact me if you have any further questions on this matter.

Best Regards,

Glen Morgan

What impact does the alleged violation(s) have on the public?

The public has a right to have candidates for political office who do not fund their political campaigns by secretive, anonymous dark money funding as this campaign chose to do. This campaign must forfeit these illegal dark money funds and send them to the Washington State Treasury where they can be squandered with the rest of the General Fund. At least it will send a message to future dark money anonymous donors that their money is not welcome, even in campaigns like this one.

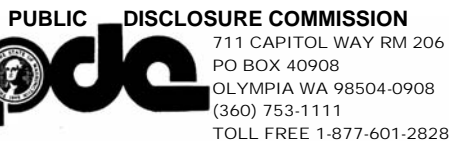

List of attached evidence or contact information where evidence may be found.
