RE: Response to Complaint #55052

Thank you for your correspondence of July 22, 2019.

The Fire Services Fund of Washington has amended its C3 report originally filed through the ORCA system on December 10, 2018 (please see attachment).

Monetary contributions reported in *Section A. Anonymous* have been amended to clarify that the \$2,632 should have been reported under *Section D. Miscellaneous Receipts*.

The \$2,632 was raised by a raffle with many people participating. I apologize for any appearance that this was a single, one person donation.

In 2019, the Fire Services Fund of Washington has changed its reporting process from full to mini reporting; the committee will raise and spend no more than \$5,000 and won't accept more than \$500 from any contributor.

It is my hope that this explanation and technical correction to our C3 report will meet with your approval. If you have any questions or need additional information, please contact me at (360)280-2352.
