

Complaint Description

Glen Morgan reported via the portal Wed, 17 July 2019 at 11:16AM

To whom it may concern,

It has come to my attention that the Thurston County Democratic Central Committee during the 2016 campaign session violated Washington State's campaign finance laws (**RCW 42.17A**). Please note, these are additional and separate from any other violations this serial violator of the state's campaign finance laws has committed in the past.

1) Accepting Illegal Over limit Anonymous Contributions (Violation of RCW 42.17A.220 (4))

This PAC violated Washington State's campaign finance laws by accepting more than \$300 in anonymous contributions from donors. Specifically, it appears that they accepted \$886.49 in anonymous contributions (apparently from one source), which is \$586.49 more than the allowable anonymous contribution limit defined in **RCW 42.17A.220 (4)**.

Upon reviewing the expenditures by this candidate's political committee, there is no evidence supporting any claim these funds were eschewed to the Treasury of the State of Washington as is required in law. Therefore this is a violation of the statute, and these funds should be immediately forfeited to the Washington State Treasury (There should be no confusion between the payments to the State of Washington for the fine imposed on this committee by the Washington State Attorney General and the statutory requirement this committee has to forfeit these illegally retained anonymous dark money contributions)

I have attached the relevant C3 reports which provide the detail on the anonymous contributions received by this committee during the 2016 campaign. **This committee must forfeit \$586.49 to the Washington State Treasury immediately.** In this way, these funds can be squandered along with the rest of the general fund tax dollars, but at least this forfeiture of anonymous dark money funds may discourage others from attempting to hide their anonymous, secretive, dark money in this political campaign.

This committee should be warned about not taking secretive, dark money anonymously to fund political campaigns. This is a serious violation of Washington's State campaign finance laws and counter to the spirit and intention of transparency in the political process.

It should be noted for the record that this committee has been found guilty of campaign finance violations in the past by the Washington State Attorney General (See **Thurston County Superior Court Case #17-2-00972-34** attached for reference). The violation described above was not included in this past complaint and litigation of this Political Committee.

Please feel free to contact me if you have any further questions on this matter.

Best Regards,

Glen Morgan

What impact does the alleged violation(s) have on the public?

The public has a right to have local political committees who do not fund their political campaigns by secretive, anonymous dark money funding as this campaign chose to do. This committee must forfeit these illegal dark money funds and send them to the Washington State Treasury where they can be squandered with the rest of the General Fund. At least it will send

a message to future dark money anonymous donors that their money is not welcome, even in political committees like this one.

See attached

The past treasurer and committee officers should be sufficient
