RE: Public Disclosure Commission Case 55219

Dear Commissioners and Commission Staff:

The Spokane Good Government Alliance (SGGA) was made aware of a complaint alleging violation of RCW 42.17A.320 for failure to disclose sponsor identification on digital political advertising in an email on July 25, 2019 from Mx. Blackhorn. After reviewing the complaint, filed by Guy Thompson on July 17, we were able to determine that none of the advertisements referenced in the complaint were produced, paid for, or displayed by our organization. We would therefore ask that SGGA PAC be removed from and cleared of any and all charges outlined in PDC case number 55219.

The SGGA remains committed to running an open and transparent campaign in support of common-sense candidates dedicated to acting with integrity and upholding the honor of public service. Please do not hesitate to reach out in the future with any further questions or concerns regarding this or any other matter.

With our best wishes for a smooth campaign season.

Sincerely,

Jake Mayson
Spokane Good Government Alliance
