

Complaint Description

Glen Morgan (Sun, 21 Jul 2019 at 9:11 AM)

To Whom it May Concern --

It has come to my attention that Lillian D. Slovic (Lillian "Randy" Slovic) running for Richland City Council, Position #1, has habitually and willfully committed frequent and multiple violations of **RCW 42.17A**. Additionally, I have reason to believe that other violations of this chapter have occurred beyond what I have identified below.

1) Failure to file accurate, timely C4 reports. (Violation of RCW 42.17A.235)

State law requires that candidates and committees file frequent, accurate, reports of contributions, expenditures, in-kind contributions, debt, pledges, and loans (C3s and C4s). The reports must be compliant with both state law and PDC regulations (**WAC 390**).

Unfortunately, this campaign **has failed to file ANY C-4 reports** detailing campaign expenditures.

At a minimum, the candidate has failed to report the following expenditures:

1. **Filing fee** – a filing fee is required for this position, and Slovic wouldn't be able to run for office without paying this fee.
2. **Campaign Signs** – the candidate's campaign has been placing signs throughout the city of Richland for some time now. A photograph of some of these signs is attached from the candidate's own campaign Facebook Page. The candidate needs to report the true costs, vendor, and quantity purchased.
3. **Campaign Stickers** – the candidate has purchased and distributed campaign stickers, and they also need to be reported as such on a C4 – quantity, vendor, etc. (see photo of candidate from Candidate's own Facebook page for proof).
4. **Website and website development, hosting, email services**– This candidate has purchased a campaign website. See the attached "Whois" detailing the website registration and date. The candidate has an email linked to this website domain. The expense of reserving the URL, hosting the site, developing the website, paying for the hosting, email services, etc is missing.
5. **Facebook boosted posts** – This campaign has a dedicated Facebook page, and they may have boosted campaign posts and information as ads on Facebook, which would also need to be reported with adequate detail.
6. **Umpqua banking costs** – this bank charges fees related to new bank accounts, and this information would need to be reported as an expenditure as well.

This candidate is aware of the filing deadlines and the PDC process for filing reports, as evidenced by some reports over the past few months being filed in this manner with the PDC already.

There are likely additional expenditures which have not been detailed here which will also need to be reported to the PDC.

Please don't hesitate to contact me if you need any additional information.

Please see the attached photographs and documents as supporting evidence.

Best Regards,

Glen Morgan

What impact does the alleged violation(s) have on the public?

The public has a right to know how a candidate is spending their campaign funds. In this case, the campaign has chosen the "stealth" approach to campaigning and denied the public most information related to how this campaign has spent it's funds.

List of attached evidence or contact information where evidence may be found.

See attached

List of potential witnesses with contact information to reach them.

In addition to the candidate, the treasurer and the assistant treasurer should be contacted.

Complaint Certification:

I certify (or declare) under penalty of perjury under the laws of the State of Washington that information provided with this complaint is true and correct to the best of my knowledge and belief.
