Anyone who knows me knows that I HATE to ask anyone for money. That has not changed but I am realistic in the fact that I will need all of your help to lift this campaign off the ground. I appreciate those who have already donated and implore you to find it in your heart to donate to my campaign. The race is going to be tight. Battle Ground needs someone who will stand up for the 2nd Amendment and small town conservative values. I appreciate every donation and will put it to good use.

The PDC has some rules to donating. Donations over \$100 require disclosure of Name, Business Name, and Address and I cannot accept donations over \$500 from any one donor. The maximum I can receive for ALL donations is \$5,000.

. We are less than a month away from the primary election ballots being mailed. I could use your help with donations (even small ones) as this is the part where things start costing a lot of money. I appreciate everyone who has already donated! It means the world to me!
