Dear Mr. Blackhorn,

Yesterday I received a complaint filed against my campaign by Mr. Glenn Morgan. The PDC Case Number is 55339. He notes some clerical errors by the campaign treasurer who has corrected them. Specifically, C4 filings have been corrected to

- indicate the number of yard signs purchased
- the number of printed walk or mail pieces
- that Sofia paid the \$250 filing fee with personal funds and is an in-kind donation
- where "City of SeaTac" is stated, it is corrected to indicate Burien.
- As far as the two 'payments', this was filed as an in-kind contribution that was for 'Both: 50/50' rather than 'Primary' or 'General' option. It has been amended to "General."
- Clarify the sponsor on the website.

In terms of the filing fee, Sofia Aragon paid the fee with personal funds and considered it as an in-kind donation to the campaign. The current filing already indicates this.

If you need anything further from my campaign, please let me know.

Thank you,

Sofia Aragon
