Dear Tabitha,

Just a message to let you know that I have completed the C-1 Candidate Registration form and have discussed it by phone with Jenny. She was very helpful, as were you, in completing this process. As a first time candidate filing for any political position this was a misunderstanding and failure on my part. Please accept my apologies. Working with your agency has been a very informative and rewarding experience, yourself, Jenny and Colin.

Sincere Thanks,

Thomas B Sund
