Macias's campaign and supporters have circulated a false and inflammatory voter information guide in violation of House Bill 1379. This is a disservice and mockery of truth that falsely sways voters with misinformation and falsehoods to portray Macias and Sagen as better options for voters and negatively displays their opponent Gartrell.

Dear Mr. Blackhorn,

Thank you for following up on the complaint I submitted. You are correct, [RCW 42.17A.335](#) is the accurate violation I am alleging. The statements that were false and made with an intent to libel Gartrell are the voter guide statements (shown in my attachments to the complaint) about:

- position on city pool at MLK Park
- position on community relations
- position on undocumented immigrants
- position on public services or privatize services
- languages
- biggest campaign donor
- Neither Gartrell or his campaign was contacted regarding any of the statements made on his behalf
- the sponsor of the document is not mentioned as it should be
- the other screenshot I attached with a photoshopped Trump hat on Gartrell's head

I appreciate your looking into this matter.

Best Regards,  
Kendra Shirley

Do not Vote for Ken Gartell.

He doesn't represent the Residents in District 1  
 He lives in District 1 for control for the Wealthy  
 He doesn't represent Art in District 1.

**!!DO YOUR RESEARCH!!**

Kenton Gartrell is ill suited to represent District #1. He DOES NOT share the values of our community. He is being coached and funded by people who do not have our best interest at heart. He is a far-right Trump supporter who shares and post propaganda

**Eliana Macias for Yakima City Council, District 1** has lived on Cherry Ave. her entire life is committed to serving low-income families and truly understands the needs of the community. Most importantly REPRESENTATION MATTERS. Having a Spanish speaking Latina is vital for out community and for the youth to see people that look and sound like them in a position of leadership.

**Matthew Sagen for Yakima City Council District # 1** has lived in Yakima for over 20 years. He has experience running businesses with a background in advertisement.His priorities are Infrastructure, Economic Development, Public Safety, and Affordable Housing.
