<p>Statement: I am running for Lake Forest Park City Council because I am concerned about the Lake Forest Park Town Center redevelopment project.</p>	
<p>Lake Forest Park is within King County's Urban Growth Area, so increased density is necessary to meet Washington State Growth Management Act targets. However, it is possible for the inevitable growth to happen in a way that is in scale with the surrounding neighborhood, and respectful of those who live nearby in the community.</p>	
<p>I have been a public servant for over 20 years, and I take my responsibilities to the public seriously. As a representative of the Lake Forest Park community, I would welcome your input, suggestions, and concerns. I will listen to you in a respectful manner. If I don't have an answer, I will find the person who does and respond to you in a timely manner. You will not be ignored.</p>
