Hi Tabatha,

It appears that CAWA is unable to correct their PAC registration for 2019 and several non-profit organizations including STG are therefore triggered as an incidental committee. Needless to say, we are not happy about this. However, STG will comply with the law and properly register with the PDC as an incidental committee.

I will let you know if we have any questions. Please expect to see our submitted forms within the next 10 days.

Thank you for your patience as we were sorting this out.

Regards,

Gary
