Dear Sir / Madam,

The Valerie For Team Renton campaign has received and reviewed the Public Disclosure correspondence # 56728 dated August 28, 2019.

The campaign treasurer, Michael O'Halloran, guarantees all future campaign expenditures will contain the mandatory expenditure quantities.

The campaign requests to be assigned a Filer Assistance Specialist so the campaign can receive timely and coordinated guidance to include quantities of materials purchased on the affected C-4 reports.

Best regards,
Michael O'Halloran
Treasurer
