

Mhutson replied,7 days ago (Fri, 6 Sep 2019 at 12:11 AM)

I have gone my emails again and found a calendar invite and a couple responce to a fundraising event which came from my city email address.

This email was apparently sent from my personal phone, I have several emails accounts and was unaware that it came from a city account.

This was an error on my part.

Thank you,

Mark E. Hutson
