Hello Mx. Blackhorn,

First, I need to apologize for completely missing the "Cowlitz" mentioned in the complaint. It is embarrassing to realize that it escaped my notice even after reading it through several times.

Next, in the matter of Mr. Earl Bowerman's address. Our ORCA database has this address entered for Mr. Bowerman;

P.O. Box 510  
Camas, WA 98607

After speaking with Karen Bowerman, she has confirmed that the P.O. Box address is used for the Clark County Republican Party and that it is not their personal address. In light of this information, we will be amending our C-3 reports to correct the contact information with their actual home address. Mrs. Bowerman confirmed their address to be;

704 S.E. 201st Ave  
Camas, WA 98607

Lastly, in the matter of the current C-1 report, this was filed in December of 2018. The confirmation number for our electronic filing is 100878181. I have also attached a pdf copy of our C-1.

Please let me know if there is anything else you need in order to take care of this matter,

Thank you,
