Multiple violations of RCW 42,17A,005(36). Multiple members (see attached screen shots) of the democrat party and it's central committee are using facebook to run a mudslinging slander campaign against conservative candidates, creating e-flyers with no sponsor info or proper language stating that the opposing candidate did not support/authorize the ads. Additionally, no candidate is claiming them as an in kind contribution. Several of the enclosed flyers also violate the false political advertising rules on your website.

What impact does the alleged violation(s) have on the public?

Does not abide by PDC accountability rules and misleads public with false information.

List of attached evidence or contact information where evidence may be found.

Screen shots and actual pictures of the ads.

List of potential witnesses with contact information to reach them.

They are publicly posted, so pretty much all of Facebook.
