

On August 28, 2019 Spencer Boudreau finally filed his C-4 reports for May through July of 2019 (and still has not reported for the expense of his signs). [https://www.pdc.wa.gov/browse/campaign-explorer/candidate?filer\\_id=BOUDS%20%20632&election\\_year=2019](https://www.pdc.wa.gov/browse/campaign-explorer/candidate?filer_id=BOUDS%20%20632&election_year=2019)

These reports included an expenditure to "Washington Social Couceling" by which I am under the impression he meant "Washington Social Consulting" since no "Washington Social Counseling" is listed with the Secretary of State. The SOS also stated a DBA name of "Cowlitz Citizen Update" which has since been removed. Please see screen shot attached of business name.

Spencer Boudreau is the public face of "Cowlitz Citizen Update", a Facebook "news" page which prominently features Spencer Boudreau as the video "host". Please see screen shot attached of Citizen Update Logo and Videos or click here <https://www.facebook.com/citizensupdateshow/>

Thank you, Summer O'Neill
