

Complaint Description

Linda Moschetti-Newing reported via the portal Wed, 11 Sept 2019 at 9:24AM

Candidate Griffin was distributing his campaign flyers in the Newcastle Library, which is owned and operated by the King County Library System following a city-sponsored community conversation forum with Newcastle City Council and members of public. The event was held from 7-8:30 p.m. on Tuesday, September 10, 2019. Following the event Mr. Griffin began distributing his flyers to attendees while still in the library. Several people in the audience received them. I believe this qualifies as a violation since the library is considered an agency facility.

What impact does the alleged violation(s) have on the public?

Illegal use of an agency facility to distribute campaign materials during a city-sponsored event. Gives the appearance to the public in attendance that the facility and city are supporting this type of behavior and the candidate.
