Hi Ms. Townsend,

I would like to request a Filer Assistance Specialist to work with so that I can make sure that any amendments I make are complete and accurate.

Thank you!
Cynthia

Dear Ms. Townsend,

I wanted to be sure to provide a response to the original complaint by today's deadline. I am a first-time candidate in a local city race, and so this is my first experience filing PDC reports. In order to reduce the cost of the campaign, I've been having my sister help me file the PDC reports and she too is new to the process. Since I've received the complaint, I've been working diligently on making corrections with the help of a PDC Filing Assistant, Jenny Polek, who has been extremely helpful in identifying the areas that need changing.

In response to the two items listed in the complaint:

1) I've made corrections to the C4 reports to include sufficient detail to be compliant with RCW 42.17.A. I believe we are down to our last two corrections that need to be made before all of the information is complete and accurate. It does not look like we will need to file amendments, as most changes just require additional detail to the descriptions of expenditures.

2) The C1 has been corrected so that the addresses are consistent. When I first filed my C1 report I had not yet purchased a PO Box for the campaign.

Please let me know if any additional information is needed. I will provide an update once Ms. Polek has let me know that all of the appropriate corrections have been made.

Thank you so much for your assistance.

Sincerely,
Cynthia Delostrinos Johnson
