Tabatha:

My interest is always to be in compliance with the PDC. I called the PDC offices today when I read this email and attempted to seek assistance with amendments. I have a couple of clarifying questions, then I feel I can update the information as required.. When I was forwarded to a specialist, they told me the process needs to go through you and possibly a supervisor to assign someone. This is my email request to have you please assign a Filer Assistance Specialist to me so I can make the proper amendments to regain that status. You may reach me via phone at 206.853.9330

This is a very low activity campaign, so I look forward to doing whatever is required to get in alignment with advisor assistance.

With regards,

Kate Kruller
