I certify (or declare) under penalty of perjury under the laws of the State of Washington that information provided with this complaint is true and correct to the best of my knowledge and belief.

Mr. Glen Morgan, known for his numerous PDC filings against state parties and state candidates, has decided to attack two of the six candidates running for the City of Spokane Valley City Council. In his complaint, Mr. Morgan states that **“It has come to my attention.....”**. One wonders who brought the filings of two of these candidates running for a city council position to his attention?? It is interesting that he has chosen to file a complaint against one of the current Spokane Valley City Council members but not the other current council member who is also up for re-election.

In his complaints against the candidates, Mr. Morgan cites several alleged violations, several of which are false and others, such as a haircut, are not worth addressing. However, one alleged violation Mr. Morgan cited, **“Failure to accurately describe expense – Violation of RCW 42.17A.240(6) & WAC 390-16-037”** does have a minimal amount of merit. For this reason, after looking over the PDC reports of other candidates running for Spokane Valley City Council this year as well as previous years, it only seems appropriate that all candidates running for City Council positions in Spokane Valley should meet the same standards. For only this reason, we identify that candidate **Michelle R. Rasmussen** has not complied with RCW 42.17A.240(6) & WAC 390-16-037(3)
