Ms. Townsend:

On behalf of Vote Michelle Rasmussen campaign, I appreciate being alerted to the oversight of not reporting the number of campaign signs and the number of palm cards/slim jims when filing our reports.

I have amended the four reports in question and hopefully, this satisfactorily meets the criteria by the PDC, in RCW 42.17A.240 & WAC 390-16-037 and in Ms. Snyder's complaint.

However, there was a slight problem. Ms. Snyder lists Report #10090070 but I couldn't locate any such report. However, I did find the report #100900870 which has been amended to reflect the number of signs.

My sincerest apologies for any trouble and consternation this omission may have caused to anyone. Please let me know how I can be of further assistance.

Thank you very much.

Ms. Townsend:

You wrote the following:

"Did you review all C-4 and C-3 reports to ensure adequate descriptions and details have been included?"

Please respond by **9/27/19**."

With the C3's, there really isn't anywhere a description is required. That being said, I've reviewed all the C4 filings for the complete campaign, and to the best of my knowledge and observation, everything is adequately explained.

For your information, I did amend the March C4 to explain and provide details for one expense.

Thank you.
