Tabatha, thank you for your email. It is true that I did register late with the PDC. The reason for this is that I did not realize at the time of filling for candidacy that filling the C-1 was mandatory. I had no intention of taking or soliciting of funds of any kind for my campaign. I have not taken any donations nor will I in the future. I have done no campaigning to this point or put out any signs for my campaign. Once I read the requirements for reporting I realized I had to register even if I was not taking donations. I have done so and will report any donations that I receive. It is my intention to be truthful and transparent throughout this process. I am a first time candidate working on this by myself. I look forward to serving the community if elected.

Sincerely

Darren LaFavor.
