Subject: Complaint regarding Doug Hendrickson, PDC Case 58005

Dear Cody Hart:

The Public Disclosure Commission (PDC) has completed its review of the complaint you filed on September 30, 2019. The complaint alleged that Doug Hendrickson (Respondent), a board member for the Board of Registration for Professional Engineers and Land Surveyors (BORPELS) may have violated RCW 42.17A.635 for indirectly lobbying the legislature outside of authorized channels for public agency lobbying; and RCW 42.17A.640 for failure to report a grass roots lobbying campaign.

PDC staff reviewed the allegations; the applicable statutes, rules, and reporting requirements; and the response provided by the Respondent, to determine whether the record supports a finding of one or more violations.

Based on staff’s review, we found the following:

- The complaint provided evidence of a series of emails from Ken Fuller at the Department of Licensing soliciting support for Senate Bill 5443 (2019), encouraging recipients to contact members of the legislature to voice their support, as well as to encourage other people within their networks to likewise contact members of the legislature to voice their support.
- The Respondent states in the response to the allegations that, *“although I was an email recipient of communications intended to request contact of others in furtherance of any House Bill or Senate Bill, I did not transmit any such requests electronically or verbally.”*
- The Respondent states in the supplemental response to the allegations that at all times relevant to the complaint, *“Respondent Hendrickson did not communicate with any legislators concerning the matters alleged; he was asked to do so, but he ultimately did not contact any legislators.”*
- No evidence was presented by the complaint to suggest that expenditures exceeding \$1,000 were made to support a grass roots lobbying campaign, as provided by RCW 42.17A.640.

Based on our findings staff has determined that, in this instance, insufficient evidence supports a finding of a violation that warrants further investigation.

Based on this information, the PDC finds that no further action is warranted and has dismissed this matter in accordance with RCW 42.17A.755(1).
