Mx. Fox Blackhorn;

This is this first correspondence I have received regarding this matter and I have verified Junk and Archive email folders to be empty. I also did not send an email on Mon 30 Sept at 4:14pm as this email purports (highlighted last two lines below).

I did not "indirectly lobby" or "fail to report a grass roots lobbying campaign" as an employee of the City of Seattle. I represent the North Puget Sound Chapter of the Land Surveyors' Association of Washington and am the Liaison to the BORPELS from that organization and an interested professional land surveyor licensed in the State of Washington. All time spent with correspondence and/or preparing for or attending public meetings on behalf of LSAW is on my own personal time.

I am not aware that I have violated either of the below noted RCW 42.17A.635 or RCW 42.17A.640.

Please advise if additional information is required.

Thanks kindly,

Thomas S. Barger, Jr., PLS LSAW NSPS
