Mx. Fox Blackhorn;

I did not “indirectly lobby” or “fail to report a grass roots lobbying campaign”. I did not lobby for or against any of the bills referenced and was only involved in the e-mails noted as an interested professional land surveyor. Any time spent reviewing e-mails or any other time involved, if any, is spent on my personal time.

I am not aware that I have violated either of the below noted RCW 42.17A.635 and RCW 42.17A.640.

I appreciate your attention to this matter and please advise if I need to make any additional response.

Jon
