Dear Tabitha,

Regarding PDC Case Number 58201, a complaint by Mr. Glen Morgan against the campaign of monica4council.

I apologize for not fully understanding the information required on the PDC C4 reports. Corrected C4 reports are now posted on the public PDC web site. Specifically, the May report is now amended by report #100935717, the June reported is now amended by report #100935800, the July report is now amended by report #100935864, and the August report is amended by report #100935807. I believe that with these amended reports, the campaign is now in full compliance with PDC reporting requirements.

You will, of course, contact me if any other issue emerges.

Thank you for your assistance and efforts in supporting our electoral system.

Sincerely,

Richard A. Jahnke
