Dear Ms. Blacksmith,

This email is in response to the complaints lodged against our organization, No Federal Way Pot Retailers by Orla Poole.. The case number is #59068.

I admit that I did not register our organization in a timely manner. I had attempted to do it, and was unable to even log on to the PDC site to register our organization. I had attempted to contact the PDC and asked others for assistance in the process, but I failed. I attempted again, this time successfully, albeit very late in the campaign. There was no attempt at subterfuge or concealment. I simply failed to adequately perform the responsibility freely accepted by me.

By the way, I am still waiting to hear from someone from the Filer Assistance Team. I would like more assistance in reporting the contributions received and payments made. I want to make sure that they are done correctly.

The second allegation, involves the failure to provide information about the sponsor of ads run in the Federal Way Mirror. I apologize for my ignorance, but, other than our committee name, what information is necessary in order to comply? Do we only need to add the address, and make sure that "Federal Way" is spelled out?

We will be glad to provide that information.

Again, I apologize for failure to get the necessary assistance in registering our committee with the PDC, in a timely manner. I want to comply, but need assistance in the endeavor..

Sincerely,

Jim Stiles
