Hi Tabitha,

Thanks for your phone call yesterday. Here's my response to the primary and secondary concerns on the PDC complaint.

Not sure if I was supposed to address every item, if so, let me know if you need any more information.

Thanks
Nadine Woodward

Primary concern and request for investigation: The 4/15/2019 F-1 that Ms Woodward submitted to the PDC showing only her "D" income (\$48,000 to \$119,999) from broadcasting for a local network. This form does not indicate any income from her family business for which she publicly claims to be the Vice President, and her husband President. This F-1 also lists her spouse Bruce Felt and dependent (daughter) Nicole Felt. According to the rules Part 1 of the F-1, all income in excess of \$2,400, including from spouse is to be listed.

Response:

Bruce and I received no income from our business, Memories by Design, in 2018. Money generated by the business that year was earmarked to pay off a business loan. Our daughter, Nicole (Coley), did not have an income to report for 2018.

Secondary concern and request for investigation: Is it a violation to pay a dependent/child living at home for campaign reimbursement? Is daughter Nicole living at home as indicated on the F1 or is that falsified because Nicole is living in Seattle?

Response:

Our daughter graduated from the University of Washington in Seattle in June 2019, and moved back home in Spokane in August.
