**Vote Schools\$ Not Pools\$**

**Vote No Prop 1**

**Berbesi**

**Shoreline City Council**

**What impact does the alleged violation(s) have on the public?**

Berbesi is not a council member but the way I interpret this sign is that he is a council member and is telling you to vote no. No where does it say that he is a candidate for City Council. It should say somewhere that he is running for the city council. Somewhere his sign should say Berbesi (for) or (elect) him for city council.

When I ran for Shoreline City Council back around 1998 I was dinged by the PDC as I left off the word (for or elect) Rich Gustafon for Shoreline City Council. The PDC said I had to change all my signs or take them down. I ran off 300 stickers with the word FOR on it and went around to each sign and stuck it on my signs to make it legal so I wouldn't have to take down my signs.

**List of attached evidence or contact information where evidence may be found.**
