<b>Complaint Description</b>
<u>Dous</u> reported via the portal Thurs, 17 Oct 2019 at 3:14PM  I believe the "No to Camas Pool Bond" campaign has spent more than \$5000 on their signs and are not maintaining accurate records of where their donations are coming from. They have held multiple sign pick-up events and are asking people to pay \$3.00 for each sign they take. They are also promoting online that they will share an image to let others make signs for themselves. They are also promoting on their sign that the pool costs \$78 million which is false.
