

## Complaint Description

To whom it may concern,

I noticed that Susan Boundy-Sanders, an incumbent Woodinville City Council member committed numerous violations of Washington State's campaign finance laws (**RCW 42.17A**) during her 2017 campaign.

### **1) Failure to accurately describe expense. (Violation of RCW 42.17A.240(6) & WAC 390-16037, RCW 42.17A.235)**

Boundy-Sander's campaign has regularly failed to follow Washington State's Campaign Finance laws as they apply to the reporting of expenditures. Most C4s this campaign filed contained violations of the statute and the rules written by the Public Disclosure Commission which support the statute.

Here are some examples that need to be corrected by Boundy-Sander's campaign to at least go through the motions of complying with the statute: Examples of a failure to provide sufficient detail of expenditures (unambiguous violations of **RCW 42.17A.240(6)** and **WAC 390-16-037** (see **example B** provided at **WAC 390-16-037(3)**):

For example, the expenditures reported on **PDC Report # 100795625** failed to report how many "mailing" pieces were printed and purchased from vendor "Overnight Printing", as well as clarity on what the postage was spent on, etc. This is a clear violations of **WAC 390-16-037(3) example B** provided.

These violations were repeated on **PDC Report # 100799537** This campaign needs to correct these legally deficient filings and properly report all the details and missing expenditures which have been concealed from the public by this campaigns willingness to ignore the law.

I looked into this candidate because she was so blatant and egregious in the violations she committed in a secret PAC she sponsored (and then concealed her sponsorship) from this year which I reported to the PDC (**Enforcement Case #59175**), and it appears that her historic compliance with the statute has been less than honest as well.

The PDC should investigate and verify whether this candidate's campaign is violating other campaign finance laws as well.

Please feel free to contact me if you need further information.

Best Regards,

Glen Morgan

**What impact does the alleged violation(s) have on the public?**

No politician should be above the law and believe that it doesn't apply to them. Even incumbent politicians like this must report the truth about how they spent their campaign dollars.
