Subject: Complaint regarding Susan Boundy-Sanders, PDC Case 59334

Dear Glen Morgan:

The Public Disclosure Commission (PDC) has completed its review of the complaint you filed on October 28, 2019. The complaint alleged that Susan Boundy-Sanders (Respondent), a 2017 candidate for City Council Member for the City of Woodinville, may have violated RCW 42.17A.240 and WAC 390-16-037 for failure to accurately and completely disclose expenditure details.

PDC staff reviewed the allegations; the applicable statutes, rules, and reporting requirements; the response provided by the Respondent; and the applicable PDC reports filed by the Respondent, to determine whether the record supports a finding of one or more violations.

Based on staff’s review, we found the following:

- The Respondent made five expenditures for printed political advertising from September 27 through October 31, 2017, which failed to provide the number of items printed in accordance with RCW 42.17A.240 and WAC 390-16-037.
- PDC staff noted that amendments to reports from the 2017 election would not be necessary, and directed the Respondent to instead provide a list of the expenditures with corresponding number of items printed in response to the allegations.
- The Respondent provided a list of the expenditure details, along with the number of items printed to PDC staff.

Based on our findings staff has determined that, in this instance, failure to accurately and completely disclose expenditure details does not amount to a violation that warrants further investigation.

PDC staff is reminding Susan Boundy-Sanders about the importance of accurately and completely disclosing expenditure details. PDC staff expects the timely, complete, and accurate disclosure of all contribution and expenditure details on required reports in the future.

Based on this information, the PDC finds that no further action is warranted and has dismissed this matter in accordance with RCW 42.17A.755(1).
