| Complaint Description |
| <p><u>Joseph D Cooper</u> reported via the portal Sun, 10 Nov 2019 at 2:53PM</p> <p>I received a Mailer that appeared to be an official Mason 6 Union Fire Dept endorsement of Mike Sheetz incumbent fire district 6 commissioner standing in front of the fire station with Firefighters of various subordinate rank in taxpayer paid for uniform/regalia and unkown duty status of some at time of picture. I take issue with the abuse of tax payer moneys as well as abuse of authority that implies negative consequence against subordinates who fail to support his campaign. This is obviously an abuse of authority and more importantly a misuse of taxpayer funds for an election campaign and I would like to see this matter investigated and prosecuted as I have an expectation my tax dollars to pay for services and facilities impartially as well as the leadership to not expect loyalty outside of their scope of authority over subordinates. It is obvious since Mike Sheetz is present in the picture and he is the highest ranking authority in control of this picture with the unspoken implication that if you are not with Mike Sheetz, you are against Mike Sheetz. There is no excuse for wasting my tax money for his own election and abusing his authority harassing current and ex district subordinates subjecting our tax district to real and potential future civil liabilities due to his abuse of authority and fraudulent use of taxpayer funds. Furthermore, to blame a fellow constituent and not refute a single presented fact seems to be petty and harassing as I seen in a previous report response from Mike Sheetz, I hope the PDC ignores Miike Sheetz personal attack on a constituent and rather enters it as evidence in support of previous negative facts brought to light.</p> |
| What impact does the alleged violation(s) have on the public? |
| Cost to tax payers funding an incumbent election campaign through abuse of authority and exposure to civil liability as well as misleads taxpayers to believe that the the agency itself under Mike Sheetz direct control wholly supports Mike Sheetz. |
| List of attached evidence or contact information where evidence may be found |
| Mike Sheetz, Jeff Brittig |
| List of potential witnesses with contact information to reach them |
| Mike Sheetz and all Union WA residents who received this mailer. |
| Certification (Complainant) |
| I certify (or declare) under penalty of perjury under the laws of the State of Washington that information provided with this complaint is true and correct to the best of my knowledge and belief. |
